# Toolbar Buttons

1. **Flag a Supervisor:** Allow an agent to alert a supervisor that they need assistance. A red flag indicates that the agent has requested assistance.
2. **Fullscreen:** makes the Flow interface full screen.
3. **Sign Out:** Logs the user out of Flow. *If the user is an Agent, this also disconnects the Agent from their handset.*
4. **Hide/Expand Sidebar:** easily hide and expand the main navigation sidebar.
