

Panasonic Handset Registration

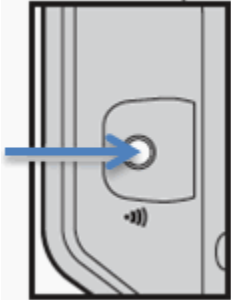

This guide covers registering and deregistering handsets to the Panasonic KX-TGP500 and KX-TGP600 Wireless VoIP models.

Registering a KX-TGP500 Handset:

1. Press **MENU** (the center joystick).
2. Select **Initial Settings**.
3. Select **Registration**.
4. Select **Register Mobile Handset**.

*Alternatively, instead of steps 1 to 4 press the **MENU** key (joystick) then **[#][1][3][0]**.*

5. On the DECT base press and hold the **ALL** () button for 5 seconds. (if all registered handsets start ringing, press the same button to stop. Then repeat from step 1)

6. Within 90 seconds of press ALL button on the base, press **OK** on the *handset* and wait until a long beep sound. (If the handset asks for a PIN the default is 0000).

Deregistering a KX-TGP500 Handset:

1. Press **MENU** ((the center joystick).
2. Press/dial **[#][1][3][1]**.
3. Enter **[3][3][5]** and press **OK**.
4. Select the desired device and press **OK**.
5. Select **Yes** and confirm with **OK**.

Registering a KX-TGP600 Handset:

1. Press and hold the handset **Locator** button on the side of the KX-TGP600 *base unit* until the status indicator light flashes red (about 3 seconds), then release.
2. Press and hold the **right softkey** on the KX-TGA60 *handset* unit until the screen updates to say **Please Wait**. After a few seconds, the screen should update again to say **Registered**, then the home screen appears. The handset number will appear in the upper-left corner of the screen.

OR

1. Press and hold the **handset locator** button on the side of the KX-TGP600 *base unit* until the status indicator light flashes red (about 3 seconds), then release.
2. Press **MENU**.
3. Navigate to the **wrench** symbol and press **OK**.
4. Select **System Option**.
5. Select **Register H/S**
6. Select a base unit. After a few seconds, the phone should display **Registered**.

Deregistering a KX-TGP600 Handset:

1. In standby mode, press **MENU**
2. Select **System Settings** and press **OK**
3. Select **Cancel Register** and press **OK**
4. Select the **handset** and press **OK**.
